

# Our Vision and Mission

“Experience Your Dreams”

## Our Vision

The MSV EDUCATIONAL NETWORK will be commended by clients, businesses, and our region for:

- ❖ **Our Commitment**- to effectively prepare people for global living and communication
- ❖ **Our Success**- in equipping our clients to experience their dreams
- ❖ **Our Effectiveness**- in delivering exceptional educational experiences
- ❖ **Our Contribution**- to regional and global progress

## Our Mission

The MSV EDUCATIONAL NETWORK exists so that each of our clients can experience their unique dreams of global living and communication to the maximum extent. Every person in our network will work tirelessly to deliver exceptional educational experiences using proven methods of instruction and by creating an environment where individual learning can thrive.

## Our Core Values

These are the core values that the MSV EDUCATIONAL NETWORK embraces in all our endeavors.

We will create a culture that celebrates and nurtures **excellence** in everything we do. We will embrace **innovation** and **global awareness** in all dimensions of our work. We will approach our work with **passion**. We will be governed by **integrity** in every decision.

## Our Promise

**We promise to put our clients first.** Like Cesar, an agronomy specialist and an English student who is experiencing his dream of living in the United States and working for a multi-national corporation. Like Dayane, a businesswoman and an English student who studied in a specialized training program and experienced her dream of international travel and communication.
