

“BE EFFECTIVE” Application “Your Dreams, Our Passion”

Thank you for selecting the MSV EDUCATIONAL NETWORK’s “BE EFFECTIVE” English Language Immersion program. We appreciate the dedication and hard work that it takes to learn another language, and we are ready to help you experience your unique, personal dreams.

“BE EFFECTIVE” is a **complete immersion program**. In a complete immersion program, **100 percent of class time is spent in the English language**, and all subject matter is taught in that language. Our objectives for each student are:

- to become functionally proficient in the English language,
- to master the subject content taught in English, and
- to increase by one level their present level on the Common European Framework (CEFR).
